RULES & REGULATIONS

- Any TAME pet can enter of any type – cat, dog, bird, etc. Your pet must be well mannered, and be able to handle crowds and children. (We understand that all animals get excited around people – that is fine, we do not want anyone’s safety in jeopardy – if your pet does not do well and gets frightened, this is probably not the contest for them).
- Each pet must have their owner or shower present with them at all times. Animals are to be held or to be on a leash before the contest.
- Pets are judged on appearance (they are permitted to wear clothing, and costumes are encouraged), stage presence (if they interact well with their owner & crowd), and on a stage trick. If your pet cannot do a trick, we encourage you to come up with something creative to perform with your pet. The overall winner in the pet show will be the pet with the highest overall score.
- The pet show is divided into two categories domestic and exotic. Dogs and cats are considered domestic, birds and reptiles are considered exotic.
- There will be a top prize for the winner of domestic and exotic, and overall winner.
- Pets are to be taken care of. Owners or showers need to be sure to maintain the cleanliness of their pet at all times, and clean up any waste that a pet may create.
- Entry fee is \$10.00 for each pet. Grand Prize is \$50.00 + other special awards.
- The entry fee deadline is June 23rd. Entries with payment can be sent to WV Freedom Festival, 219 Dingess St., Logan, WV 25601. Make checks or money orders out to the “WV Freedom Festival”. **YOU MUST RETURN THIS FORM & PAYMENT BY THE DEADLINE TO PARTICIPATE.** Make a copy to keep.

In consideration of the acceptance of their rights to participate, entrants, participants and spectators, by execution of this form, release and discharge the City of Logan, The WV Freedom Festival, and anyone connected with the event whatsoever from any damage, injuries, or losses by them known or unknown from any cause whatsoever.
